The way I am looking at the file is "Rutherford Rebecca is killing me with mental harassment on me on intention and on purpose for her own benefits as I saw her ~~later~~ started terminating my dependents by herself on 08/29/2019 and also 09/18/2019 for no reason once the summons are approved after the court agreed with me and I paid money to get my summons like RUTHER FORD Rebecca asked the payment even though I said I cannot pay.

I am not sure what kind of benefits and money she is getting for killing me as she let "New York" company to leave with out ~~responsible~~ to me even though company has sexual ~~harassment~~ and also performing malpractice on the policy money.

Being plaintiff who is on short need correct justification as I have little practical proofs with appropriate information.

I am not sure why she has greed on me and kept closing my case as if people in Dallas were born that raped me and they are helping me for "RUTHER FORD REBECCA".

Also the doctor in Medical city of Green oaks mentioned to me they abducted me and kidnapped me and harassing me mentally, physically and sexual ly for opening case against to RUTHER FORD REBECCA ON

THE EEOC IS CLOSING ITS FILE ON THIS CHARGE FOR THE FOLLOWING REASON:

- ☐ The facts alleged in the charge fail to state a claim under any of the statutes enforced by the EEOC.
- ☐ Your allegations did not involve a disability as defined by the Americans With Disabilities Act.
- ☐ The Respondent employs less than the required number of employees or is not otherwise covered by the statutes.
- ☐ Your charge was not timely filed with EEOC; in other words, you waited too long after the date(s) of the alleged discrimination to file your charge.
- ☒ The EEOC issues the following determination: Based upon its investigation, the EEOC is unable to conclude that the information obtained establishes violations of the statutes. This does not certify that the respondent is in compliance with the statutes. No finding is made as to any other issues that might be construed as having been raised by this charge.
- ☐ The EEOC has adopted the findings of the state or local fair employment practices agency that investigated this charge.
- ☐ Other (briefly state)

- NOTICE OF SUIT RIGHTS -

(See the additional information attached to this form.)

Title VII, the Americans with Disabilities Act, the Genetic Information Nondiscrimination Act, or the Age Discrimination in Employment Act: This will be the only notice of dismissal and of your right to sue that we will send you. You may file a lawsuit against the respondent(s) under federal law based on this charge in federal or state court. Your lawsuit must be filed **WITHIN 90 DAYS** of your receipt of this notice; or your right to sue based on this charge will be lost. (The time limit for filing suit based on a claim under state law may be different.)

Equal Pay Act (EPA): EPA suits must be filed in federal or state court within 2 years (3 years for willful violations) of the alleged EPA underpayment. This means that backpay due for any violations that occurred **more than 2 years (3 years)** before you file suit may not be collectible.

**INFORMATION RELATED TO FILING SUIT
UNDER THE LAWS ENFORCED BY THE EEOC**

*(This information relates to filing suit in Federal or State court under Federal law.
If you also plan to sue claiming violations of State law, please be aware that time limits and other
provisions of State law may be shorter or more limited than those described below.)*

**PRIVATE SUIT RIGHTS -- Title VII of the Civil Rights Act, the Americans with Disabilities Act (ADA),
the Genetic Information Nondiscrimination Act (GINA), or the Age
Discrimination in Employment Act (ADEA):**

In order to pursue this matter further, you must file a lawsuit against the respondent(s) named in the charge within 90 days of the date you receive this Notice. Therefore, you should **keep a record of this date**. Once this 90-day period is over, your right to sue based on the charge referred to in this Notice will be lost. If you intend to consult an attorney, you should do so promptly. Give your attorney a copy of this Notice, and its envelope, and tell him or her the date you received it. Furthermore, in order to avoid any question that you did not act in a timely manner, it is prudent that your suit be filed **within 90 days of the date this Notice was mailed to you** (as indicated where the Notice is signed) or the date of the postmark, if later.

Your lawsuit may be filed in U.S. District Court or a State court of competent jurisdiction. (Usually, the appropriate State court is the general civil trial court.) Whether you file in Federal or State court is a matter for you to decide after talking to your attorney. Filing this Notice is not enough. You must file a "complaint" that contains a short statement of the facts of your case which shows that you are entitled to relief. Courts often require that a copy of your charge must be attached to the complaint you file in court. If so, you should remove your birth date from the charge. Some courts will not accept your complaint where the charge includes a date of birth. Your suit may include any matter alleged in the charge or, to the extent permitted by court decisions, matters like or related to the matters alleged in the charge. Generally, suits are brought in the State where the alleged unlawful practice occurred, but in some cases can be brought where relevant employment records are kept, where the employment would have been, or where the respondent has its main office. If you have simple questions, you usually can get answers from the office of the clerk of the court where you are bringing suit, but do not expect that office to write your complaint or make legal strategy decisions for you.

PRIVATE SUIT RIGHTS -- Equal Pay Act (EPA):

EPA suits must be filed in court within 2 years (3 years for willful violations) of the alleged EPA underpayment: back pay due for violations that occurred more than 2 years (3 years) before you file suit may not be collectible. For example, if you were underpaid under the EPA for work performed from 7/1/08 to 12/1/08, you should file suit before 7/1/10 – not 12/1/10 – in order to recover unpaid wages due for July 2008. This time limit for filing an EPA suit is separate from the 90-day filing period under Title VII, the ADA, GINA or the ADEA referred to above. Therefore, if you also plan to sue under Title VII, the ADA, GINA or the ADEA, in addition to suing on the EPA claim, suit must be filed within 90 days of this Notice and within the 2- or 3-year EPA back pay recovery period.

ATTORNEY REPRESENTATION -- Title VII, the ADA or GINA:

If you cannot afford or have been unable to obtain a lawyer to represent you, the U.S. District Court having jurisdiction in your case may, in limited circumstances, assist you in obtaining a lawyer. Requests for such assistance must be made to the U.S. District Court in the form and manner it requires (you should be prepared to explain in detail your efforts to retain an attorney). Requests should be made well before the end of the 90-day period mentioned above, because such requests do not relieve you of the requirement to bring suit within 90 days.

ATTORNEY REFERRAL AND EEOC ASSISTANCE -- All Statutes:

You may contact the EEOC representative shown on your Notice if you need help in finding a lawyer or if you have any questions about your legal rights, including advice on which U.S. District Court can hear your case. If you need to inspect or obtain a copy of information in EEOC's file on the charge, please request it promptly in writing and provide your charge number (as shown on your Notice). While EEOC destroys charge files after a certain time, all charge files are kept for at least 6 months after our last action on the case. Therefore, if you file suit and want to review the charge file, **please make your review request within 6 months of this Notice**. (Before filing suit, any request should be made within the next 90 days.)

IF YOU FILE SUIT, PLEASE SEND A COPY OF YOUR COURT COMPLAINT TO THIS OFFICE.

NOTICE OF RIGHTS UNDER THE ADA AMENDMENTS ACT OF 2008 (ADAAA): The ADA was amended, effective January 1, 2009, to broaden the definitions of disability to make it easier for individuals to be covered under the ADA/ADAAA. A disability is still defined as (1) a physical or mental impairment that substantially limits one or more major life activities (actual disability); (2) a record of a substantially limiting impairment; or (3) being regarded as having a disability. *However, these terms are redefined, and it is easier to be covered under the new law.*

If you plan to retain an attorney to assist you with your ADA claim, we recommend that you share this information with your attorney and suggest that he or she consult the amended regulations and appendix, and other ADA related publications, available at http://www.eeoc.gov/laws/types/disability_regulations.cfm.

“Actual” disability or a “record of” a disability (note: if you are pursuing a failure to accommodate claim you must meet the standards for either “actual” or “record of” a disability):

- The limitations from the impairment no longer have to be severe or significant for the impairment to be considered substantially limiting.
- In addition to activities such as performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, thinking, concentrating, reading, bending, and communicating (more examples at 29 C.F.R. § 1630.2(i)), **“major life activities” now include the operation of major bodily functions**, such as: functions of the immune system, special sense organs and skin; normal cell growth; and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions; or the operation of an individual organ within a body system.
- **Only one major life activity need be substantially limited.**
- With the exception of ordinary eyeglasses or contact lenses, **the beneficial effects of “mitigating measures” (e.g., hearing aid, prosthesis, medication, therapy, behavioral modifications) are not considered in determining if the impairment substantially limits a major life activity.**
- An impairment that is **“episodic” (e.g., epilepsy, depression, multiple sclerosis) or “in remission” (e.g., cancer)** is a disability if it would be **substantially limiting when active.**
- An impairment may be **substantially limiting even though it lasts or is expected to last fewer than six months.**

“Regarded as” coverage:

- An individual can meet the definition of disability if an **employment action was taken because of an actual or perceived impairment** (e.g., refusal to hire, demotion, placement on involuntary leave, termination, exclusion for failure to meet a qualification standard, harassment, or denial of any other term, condition, or privilege of employment).
- “Regarded as” coverage under the ADAAA no longer requires that an impairment be substantially limiting, or that the employer perceives the impairment to be substantially limiting.
- The employer has a defense against a “regarded as” claim only when the impairment at issue is objectively **BOTH** transitory (lasting or expected to last six months or less) **AND** minor.
- A person is not able to bring a failure to accommodate claim *if* the individual is covered only under the “regarded as” definition of “disability.”

Note: *Although the amended ADA states that the definition of disability “shall be construed broadly” and “should not demand extensive analysis,” some courts require specificity in the complaint explaining how an impairment substantially limits a major life activity or what facts indicate the challenged employment action was because of the impairment. Beyond the initial pleading stage, some courts will require specific evidence to establish disability.* For more information, consult the amended regulations and appendix, as well as explanatory publications, available at http://www.eeoc.gov/laws/types/disability_regulations.cfm.

Re: IRS Impersonation Scam Complaint Form: High Priority (Financial Loss & PII)

From: manogna devabhaktuni (manognadevabhaktuni@yahoo.com)

To: complaintsirsimpersonation@tigta.treas.gov

Duly Respected Randolph

Yes sir its a IRS fraud Impersonation Scam case that is done by David C Godbey, Joe A Fish, and Rutherford Rebecca that are supporting and helping "New York Life Insurance Company" to rob and loot the people savings through life insurance policies and other financial saving products.

***** I am one of the victim with ****practical proofs**** in my hand that was under that attack in August and September 2019****. Being their previous employee, I figured it out that they are under the plan of looting money from the retirement benefits of the policy owners that are having savings with them in their Whole Life Insurance Products when I tried to take my money from my policies that I have with them because of my need of money to pay taxes from my savings in the policies that I have with New York Life Insurance company savings.

Also, I am tax professional since 2005 who kept paying the taxes on time professional without missing and went under criminal cyber IRS fraud attack by few people that are not paying taxes properly when I was there under attack starting from 01/07/2017 through 09/30/2018. After the robbery I went to a stage where I couldn't pay my taxes and become a criminal so that me and my kids get died in that IRS Fraud attack.

My Case that I opened in federal court to get help from them to get this crime fixed is ***** 3:19-CV-01743-N-BT ***** as its a criminal case that need attention from IRS and US Government as it started happening soon after I became citizen on 12/10/2018 with thorough validation about my character and health in the society by USCIS and US Government.

***** Its a IRS fraud as David C Godbey and Rutherford Rebecca started terminating the defendants once the summons are approved by court and plaintiff "me - Manogna Devabhaktuni" started serving those summons to the defendants and also letting criminals leave without proper justification to more explosion of scam and fraud on others even though they have practical proofs literally in their hands

I need justification as its a criminal case and everyone closed my cases and terminated my defendants on the case. Please let me know if you need the proofs to support the case as I have to send you them.

Regard
Mangona Devabhaktuni

Duly Respected Sir "Greg Abbott"

I truly need your help to get my kids back from CPS and Mr. Mohan Kumar Ravi, who is hidden sexual offender and assaulter for years as I know him.

CPS started helping me with the case I opened and they also promised me saying that they are getting my kids back to me for sure but ended up closing the case on 07/15/2019 without no evidence that I am a criminal.

Mr. Mohan Kumar Ravi took away kids from me on 10/18/2019 with illegal case when doctor "Vazquez" kidnapped intentionally and harassed me sexually, mentally and physically for a month starting from "09/18/2019 - 10/18/2019" under malpractice using the Judge name "Rutherford Rebecca" who is a magistrate judge on my case that I opened in the federal court to support me to get the negative characters of the LDS Mormon Church who put me in to malpractice as a drug dealer, weapon dealer, sexual harasser soon after I got my USCIS and US Government approved "American Citizenship on 12/10/2018" because of me not letting any church man to enter in to my apartment as per the church members allocation to get in to my family to touch my personal life.

LDS Church decided to terminate my life forcefully and put my kids Trayee Ravi (8 Year Old) and Kushal Ravi (5 Year old) through sexual, mental and physical harassments for not letting them to lead me like they wanted.

They used a church member with the title "Woman Relief Society President" and named "Dasha Barton" to put me in to the Malpractice by abducting me forcefully on 01/06/2019 and put me in to malpractice. I have all proofs that she is the criminal and also church forced me to leave my job when they are helping and also made me to loose my apartment saying that they cannot help me in any way as I am not listening to them.

Sir, they truly killed my family and got me on to streets where my employer "New York Life" Insurance company harassed me sexually, mentally and physically for figuring out there fraud of hiring multiple agents from different ethnicity and planning to loot the money from the people retirement benefits. When I figured their plan there are 3 men who harassed me sexually, mentally and physically to get me to date them and quit the job. When I was exhausted I complained to HR, CEO and UNUM and to the team members and the agent director "Jorge Infantis" detonated my position when I went to serve them the Law Suit Summon "got approved by federal court" against to them on 09/03/2019 by following their directions. They also made me totally homeless, kidsless, carless, Jobless and without no pay for the hours that I worked with that company for last 9 months.

Please help me sir as New York Life planned fraud to kill peoples life by taking away their retirement benefits by not giving them back once they started investing in them. Currently they are performing cyber fraud by using their financial applications that are being used to enroll policies with the clients private data like SSN, DOB, Bank Information and Health information. They are performing this cyber fraud by accessing their financial applications through cellphones/laptops/IPADS while and after enrolling the clients in to their products and policies.

I have proof saying that they are performing fraud as I tried to get the loan on the policies that I enrolled with them last year and they didn't let me do anything and also they moved away my money from my account to different account and they didn't let me touch my money. Being their past employee I used to educate clients saying that we can take the loan or take away the money when ever we need it after certain value of policy. I checked that as I need that money and they said they will let me but ended up moving them away without telling me anything.

Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

Good Afternoon Sir,

I sued "New York Life" Company in Federal Court of Texas on 07/22/2019 and submitted a summons to them on 11/07/2019 for its fraud plan of looting policy owner's savings benefits money and dumping them as their plan after taking their money away from the policy owners of their products by exposing the policy owners' privacy data like SSN, Bank Information etc through cell phone by installing their apps without security on cell phone.

Also I sued them for the sexual harassment done on me by 3 employees "David Johnson, William Pearce and Jamie Griffith" of that company when I am working with them and also they are detouring me through malpractices for me approaching to the HR, UNUM and CEO of the company for their harassment towards me though those are valid ones after they promised me that they will provide me the justification for the harassment done on me as those are valid ones.

There is a lot of malpractice and sexual harassment done on me and my kids as a terrorist attack soon I became an American citizen on 12/10/2018. The malpractice started happening on me starting from 01/06/2019 because of LDS Church members as they didn't like me to follow freedom of religion and be myself. They forced me to marry a man from church and I disagreed that.

Sir, I need my situation to be announced in the news as CPS, DFPS cheated me using a wrong case and handed over my kids to a sexual assaulter and criminal though I opened the case with them on 02/05/2019 to protect my kids.

Please help me as everyone in the church and New York Life detoured me and made me homeless, jobless and kidless and also some of the judges in the federal court are cheating me once I started serving the summons and I am not sure.

It's a drug terrorist attack happened on a valid American citizen because of not letting LDS Church members to rule her life as I am Hindu converted Mormon and they don't like Indians to mingle with American families or Indians praying both gods based on freedom of religion rule to grow spiritually.

Regards
Manogna Devabhaktuni

Subject: Thank You for your time and meeting 08/06/2019

Dear duly respected Jorge Infantes,

Thank you sir for your time that you spent with me on 08/06/2019 about discussing regarding the behavior of "William Pearce" with me during my PRP meeting. Its a very severe impact of sexual harassment done on me and that is not done first time on me in "New York Life" company which is very odd situation that I went through multiple times after 01/12/2019 once I came out from hospital before I went on leave from my business in March (or) April (or) so of 2019 to get everything settled up with my personal life regarding CPS cases and after I joined the business back again recently in July 2019. I never went through this before 01/12/2019 though I started working in July 2018.

Jorge, FYI - I am not complaining to you which is not there and which very awkward for any agent that is in New York Life or in any other company and I am not sure how others will handle it when they will go through this kind of harassment by different people and different ways and different timings and different situations.

Being with the experience of working in IT companies of various industries for 13 years after following the HIPPA rules that were established in those companies to respect the privacy of the people in the work places, I need to let you know this kind of harassment is considered as sexual harassment which is not accepted and its very serious and severe that alters the company reputation and rules and Agency Standard and Procedures which will effect your guide of rules for agents.

Based on how the harassments happened after 3rd person assaulting me which put me down in a way I decided to let every one in the company know and also reported it to federal court where I filed my other cases to fix my life and running my case against the people that I already opened the case on 07/22/2019 and the file that I dropped with you. I just wanted to let you know and keep you in loop about me complaining in the federal court based on how severity it is without giving you surprises.

Below are the details that are considered as sexual harassment done on an agent by management team (Managing Partner) and another Agent—

1. William Pearce -- How he ended up treating me in PRP meeting on 07/22/2019 by putting his legs and feet up on the table pointing my face and body and chair.
2. David Johnson - He ended up looking in to my cell phone forcibly without my permission even though I requested him to show the applications on the desktop in his office when I was in one of his PRP meeting after I came out of hospital and joined back the work. Its totally mental harassment and sexual harassment too as he grabbed my cellphone without asking me and my permission especially when we are in PRP meeting and going through my laptop issue with internet soon after I brought my laptop and got ready to return the IPAD he borrowed me. *These are meetings where cases reported done.*
3. James C Griffith - One of the David Brooks Team member that was assigned to help to get long term care policy enrollment with one of my client who ended up not getting enrolled about how Jamie dealt with him when he came to Frisco office to enroll in to the policy with us. Also he misbehaved with me when I asked him to train me with the proper steps about long term care and he ended up repeating the same stuff about Term Life and whole life products though I mentioned to him that I already know. At the same time, he started watching me over my shoulder in to my laptop without telling me and reading my personals from my notes in the notebook and in the laptop which is totally sexual harassment done on me at that time.

I kept it professional without bringing that up to you as I was not able to speak up myself how my life was there at that time.

Please let me know if you need any further information about my case that is there in Federal Court that started working on my initial file.

Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

A LDS Church Member named "Dasha Barton" put me in to Malpractice of drugs in the hospital "Texas Health Presbyterian Hospital Plano" on 01/06/2019 forcefully without my consent by talking to me and hypnotizing me and mesmerizing about hearing voices about something. There is a man from church dropped off drugged chocolates as Christmas gift and later he made sure that I am not feeling well by checking with me saying that someone told him that I am allergic to the content in that chocolate. He checked with me when i went to church after Christmas and i mentioned to him saying that not yet. On 01/04/2019 i started feeling weird soon after I eat them and I called bishop Lee sonnie and asked him to give me priesthood blessing and also requested Dasha Barton to come to my place as she is woman relief society president for the ward and also it is too late in the night. During that weird feeling I asked "Mohan Kumar Ravi" to pick up the kids. On 01/04/2019 when Dasha came to my place she gave me hug and I felt some surge coming from back of the her jacket which made me feel awkward. After that on 01/05/2019 she harassed me with the text messages asking to me to go out with her to someone even though i rejected her offer and on 01/06/2019 she forcefully took me to hospital by coming in to my home by abducting me and my both kids while going to church. She dropped my kids forcefully at her place and took me to hospital even though i forced her not to take me. She made them to do something on me during CT Scan and also later fed me forcefully "Poisoned Chocolate moose cake (or) chocolate cake, Chicken Marsala and also Roasted cold bitter noodles" even though i rejected to eat them. They moved me in the careflite from center to center multiple times and I got the bills for that too. Once they fed me poisoned food I woke up in Texas Spring Wood Center at Euless on 01/07/2019 after 36 hours as I remembered.

In that center they harassed me sexually, mentally and mentioned to me I am FBI drug and weapon dealer criminal and they are planned to chop me in the hospital to kill me on 01/12/2019 but I escaped using Dasha Barton from that hospital.

Kelson Fisher - ~~Defendant~~ - ~~Spone~~
 of ~~destruction~~ of my life &
 words 11/07/2019

Kelson Jay Fisher harassed me physically, mentally and sexually lying down when he is one of my dance instructors that taught me ballroom dance in Arthur Murray dance studios during his classes without my permission. He started doing it on 02/19/2016 till 12/06/2016. Once I quit the dance he kept harassing me through text messages and a psychic by threatening me using my kids. He & his colleagues harassed me & robbed about \$1 million dollars by making me to sell all my gold and forced me to use all my savings. I had to listen to them as they planned to tell my kids if I won't listen to them as there are multiple men who needed sex from me along with him against my wish. I did later suit on Kelson Jay Fisher & his school in the federal court and Judge "Rebecca Riffe" deleted the summons once the case was ^{executed} ~~approved~~ and summons are ^{affirmed} ~~finalized~~ by "David C. Gooding" in federal court. The summons are deleted from my case in the middle when I was running my work of submitting summons.

Persian Medium - BEWARE

« on: January 17, 2019, 06:59:20 PM »

Beware of this woman. She is like the biggest scammer out there. She has promised my friend that she can bring her "soulmate" back (mind you, that soulmate and my friend have not been in touch for over 6 years and he appears to be happily married) and she is threatening my friend that if she doesn't come back to get frequent readings with her her remainder of the year will be VERY shitty with NO luck in love life because only SHE can fix the problems with her magic and hypnosis work (WTF?) because her love life is "doomed" and there is no love coming for her. WHO TELLS PEOPLE THIS TYPE OF SHIT!?!?

My friend JUST told me about this (I was surprised because I have not seen Persian Medium on KEEN so I forgot about her but she still seems to be continuing with her scam business?? My friend has been reading with her off and on advice for three months on and off and she is legitimately terrified of the woman because of all the threats!) I was so angry to hear this and I wanted to slap my FRIEND for believing this CRAP and allowing this woman to emotionally ABUSE her!!!!

BE AWARE!!!! Does anybody have any experience to share on Fiona??

Is your friend going to stop reading with her? That's a shame she would use fear mongering to obtain clients. I'm so sorry this is happening.

She has no psychic abilities, so I doubt she has any spell casting abilities either. She's just a charlatan.

She's horrible. Tell your friend to ignore that garbage, I know it's hard but really she does not have any answers at all or special powers, except to fleece vulnerable people.

Yes she stopped. Cancelled her account and everything. She realized it did not feel right. It is horrifyingly shameful.

I would alert the authorities if I were your friend. At least 3 so called "hex" removers were arrested and indicted recently for fraud and a slew of other crimes.

I found out her real name is NOT Fia Johnson but Fia Eram it's listed on RipOffReport. It also talks about her husband Rick Eram and Excellon on RipOffReport. I agree, in my view you shouldn't trust Persian Medium I Am Power or Avid Advice. It says she was not on Bravo like her profile says it's on RipOffReport. If they can not tell the truth about the profile and background how can you trust her with your credit card?

U1

I had gotten an email last year that there was/is a class action lawsuit against

her for fraud.

THIS PERSON IS ONLY AFTER YOUR MONEY. She told me my spouse would return and details that were COMPLETELY FALSE. I trusted her and believed that she had the credentials to back it up. She doesn't. Everything about her is FAKE, PHONY and a FRAUD. NOT PSYCHIC AND NOT A MEDIUM. JUST SO YOU KNOW MY SPOUSE WAS WITH ANOTHER MAN THE WHOLE TIME!!!!

AND SHE TOLD ME OTHERWISE. She led me to believe we would be together.

I wasted so much time and money on false hope, and I am not the only one!! I am devastated by this. Not only emotionally but financially and I HAVE NOTHING LEFT. In my opinion this person should not be allowed to give FALSE HOPE! and NOT be able to HURT people.

And she is cruel. if you do not agree with her she threatens you. I had another person tell me she threatened them too. (consumers-say-thank-you/riporff-report-in-the-media)

(<https://www.facebook.com/RipoffReportWebsiteSocialPage/>) (<https://twitter.com/riporffreport>)

Please BEWARE of this PHONY who is not being truthful and will take you for a ride.

This is my experience and i want to warn you all of her. BEWARE !!! She will con you out of your money and make up fairy tales. this was the most horrible experience of my life!

I just want to save others from this happening to them. I know psychics are for entertainment but this one told me she was real. NOT TRUE! NOTHING SHE PREDICTED WAS TRUE.

SOME PSYCHICS ARE REAL ,AND I HAVE SPOKEN WITH GOOD ONES ON KEEN. BUT HIS ONE IS NOT AUTHENTIC.

MY EXPERIENCE WAS VERY NEGATIVE AND I LOST A LOT .

PLEASE JUST BE CAREFUL AND TRY ANYONE BUT HER.

BEWARE, BEWARE, BEWARE.

HAVE ANY ORNAMENTS OR WEAPONS ON ME.

MY STORY

A LDS Church member "Dasha Barton" that is in my ward of church took me and kept me on an illegal malpractice diagnosis from 01/04/2019 – 01/06/2019 soon after I got my citizenship on 12/10/2018 and I ended up in a stage where I don't even know or have any information about what exact diagnosis happened on me WHICH IS VERY BIG CRIME AGAINST US FEDERAL LAW. There are multiple medical examinations performed on me without my consent or my friend's consent which is totally illegal as per the US Federal Law and will be filed in the court against to the Medical Center by the patient.

***** I HAVE LITERALLY PROOF OF "EXPLANATION OF BENEFITS" DOCUMENT SENT BY MY MEDICAL INSURANCE COMPANY WHICH HAS EACH AND EVERY DETAILS OF THE EXAMS PERFORMED ON MY PHYSICAL BODY. I NEED TO KNOW RIGHT AWAY WHY THOSE EXAMS ARE PERFORMED ON ME WITH MY CONSENT. NONE EXPLAINED ME WHAT KIND OF EXAMINATIONS ARE BEING DONE ON ME AND MADE ME TO SIGN THE PAPER WORK AFTER SEDUCING ME WITH THE MEDICATIONS THAT WERE PRESCRIBED BY THE DOCTORS WHOM I HAVEN'T MET OR SEEN WHEN I WAS IN THE MEDICAL CENTER FOR 7 DAYS.

I never been hospitalized with any of the major issues since the day I was born. Due Dasha Barton I ended up in to the medications and diagnosis done on me with out my consent when I was there for 7 days in hospital which is not relevant for my case. I was not able to recollect any of the incidents that happened since the moment I went it to CT scan except them feeding me forcefully poison food "Chicken Marsala, Chocolate Cake, cold roasted noodles" without my consent or without me ordering it.

This is very big illegal diagnosis comment on me by medical center without me mentioning to them by myself.

FYI – I even went to Frisco Police Station myself to get assistance on the day to get to check my apartment because of what she did on 01/04/2019 when she came to visit me as per my request. I never carried any drugs (or) weapons or have any illegal case filed against to me for that since 2012. Also I never mentioned I had dangerous weapons at home to kill myself (or) my kids or threaten anyone around me (or) no one got me there saying that I was very dangerous human being that cannot be allowed to live in normal environment.

Because of the treatment, examinations that were done on me and the medications that were prescribed to cover the truth made my heart beat go up loud and also caused me nervous pain in my brain which was never there previously before I stepped in to hospital. Having hallucinations is different than feeling my brain will explode anytime if I won't sleep whole day.

(W) As per my understanding hospital management performed wrong treatment and diagnosis on me to get me killed myself in the hospital when I was there or if I stepped out of the hospital which is major issue to my family.

I am not going to pay any medical center bills until the main diagnosis is being explained properly in away a normal person can understand. The medications that were given to me made me to get disabled and become physically handicapped instead of helping me to improve myself and get back to normal stage and get to work with my life conditions and my family.

I had to wean off my medications soon after I left the hospital and weaning helped me to take care of my kids who is 7 years and 5 years old. I opened CPS case with them because of harassments happened on them in my absence during hospitalization by their biological father whom I divorced on 09/19/2015.

Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

The provider/doctor "Vazquez Jose J MD" in the Medical city of Green Oaks abducted me and kept me under malpractice for a month "09/18/2019 - 10/16/2019" for unnecessary reasons when I went to Medical City of Dallas ER for Blisters and dehydration with the help of COPS and made me drugged with unnecessary medications though I am sensitive to drug and also put me through sexual harassment's in the hospital by putting me with mentally sick people that were undressing and having sex by them self and asking the nurses if there is doctor to have it with them.

Registered Nurse Named "Becky" mentioned to me saying that the doctor detained me by himself unnecessarily and on his own intentions and kept me on drugs without no reason using illegal diagnosis and I even saw the doctor mentioning to me that I am not mentally sick but he kept holding me and drugging me even though I am went to treatment for the blister and dehydration. He mentioned to me hospital is paying for my kidnap and abduction.

I saw them manhandling me and hitting me when ever I didn't listen to them and do what they want me to do. This is very brutal case as I became handicapped by loosing my functionality with my right hand because of them forcing me and drugging me with illegal medications.

They planned to keep me through malpractice detonation for 90 days but I fought with them and finally they let me out as they do know I am running my cases in federal court and federal court is helping me to fix the malpractice happened starting from 01/06/2019 as I started suing the people and the resources that made me to go through detonations by church and work soon after I became American Citizen on 12/10/2018.

I had to complain this to IC3 due to their impact on me as they did abducted me in April 2019 from 04/21/2019 - 05/02/2019 until CPS case worker and forced me on illegal medications even though I just went for check up in Medical City of Frisco ER with COPS help because of the dehydration I went through due to weather changes and drug removal from my body that were induced in to me on 01/04/2019 because of the church member "Dasha Barton" putting me in to malpractice as drug dealer, weapon dealer and sexual assaulter though I am normal American Citizen

Yes, working on cases in the Federal court where few judges started harassing me by closing my cases and terminating my summons once I paid for the case and the summons got approved and I started working on serving them. One of the main judge among them is "Rebecca Rutherford" and one of the Clerk is "Morgon Arrington". I opened the case against them in the federal court as they started letting out the defendants even though they are criminals and I have practical proofs to prove that they are criminals.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) **Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
 - (b) **County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
 - (c) **Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. **Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; NOTE: federal question actions take precedence over diversity cases.)
- III. **Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. **Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. **Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. **Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. **Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. **Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If a related case exists, whether pending or closed, insert the docket numbers and the corresponding judge names for such cases. A case is related to this filing if the case: 1) involves some or all of the same parties and is based on the same or similar claim; 2) involves the same property, transaction, or event; 3) involves substantially similar issues of law and fact; and/or 4) involves the same estate in a bankruptcy appeal.

Date and Attorney Signature. Date and sign the civil cover sheet.
